Private Lesson Agreement

Thank you for participating in our Private Lessons. In order to communicate all the information necessary for a great lesson, we have listed the following policies you'll want to know:

- Contact Time** – Your instructor should contact you within 3 business days of your request date. It is up to the instructor and client to schedule each lesson.
- Lesson Length** – All private and semi-private lessons last thirty minutes. All lessons paid for must be used within 6 months of purchase. Transfers are allowed, but must be communicated with Instructors. All packages are non-refundable.
- Late Policy** – Instructors are obligated to wait only 15 minutes for clients. After 15 minutes have passed, the instructor is not required to lead the lesson and the lesson may be lost. Lessons starting late will still be completed in thirty minutes from the original scheduled start time. Please respect each other's time.
- Cancellation Notice** – Clients are asked to call their Instructor or the Front Desk at least 12 hours in advance of the scheduled lesson. Please call in case of an emergency.
- Lesson Renewal** – Lessons must be paid for in full prior to scheduling. Upon completion of a lesson, if you would like to continue meeting, you must purchase a new lesson before resuming lessons. Lessons cannot be rendered without payment.
- Lesson Expiration** – Lessons expire 6 months from the day of purchase. It is the responsibility of the client to redeem all lessons before expiration. No refunds will be issued. YMCA management should be contacted in the event that the instructor fails to meet the expectation of the client.
