Dear Parents & Guardians of Preschool Families,

First of all, we want to thank you for being part of our YMCA Family. We appreciate you trusting us with the education and development of your child.

We would like to inform you that we will be implementing new tuition costs starting January 1, 2022. The Y Preschool program has not had a price increase in approximately 8 years. This slight adjustment is necessary in order to keep up with inflation and to afford our teachers competitive salaries. Quality programming is important to our staff and our brand and we wouldn't want you to accept anything less. You may notice our new tuition rates are still below the average cost of state childcare and state reimbursement rates as well as below other local programs. We strive to offer a cost structure that meets the needs of our community. Our adjustments range from \$0.40 per school day for the half day program to \$2.00 per school day for the full week all day program.

We do ask that all eligible families apply for the On My Way PreK grant available through the state of Indiana. This grant pays 100% of our tuition to eligible families. If ineligible, see our PreK director for other grant options such as the Build, Learn and Grow grant. We also have funding available through our generous community donors which is available by completing a YMCA Financial Assistance Application.

There are multiple options to get assistance paying for our program. Families that do not take advantage of any of the payment programs we have to offer and are delinquent in payment may be asked to leave the program.

We greatly appreciate your support and hope you understand our need to implement this adjustment.

As advertised, families may find more information about the On My Way PreK Grant by visiting <https://www.in.gov/fssa/carefinder/on-my-way-pre-k/>

Or scan this QR Code with your phone's camera.

Another option is the Build Learn Grow Scholarship fund at <https://brighterfuturesindiana.org/scholarships>

If you have any further questions, please feel free to contact our Preschool Director, Robin Deaton.

Sincerely,

Robin Deaton
