I like camp and I like the food. And, I also like water day!

Y Camp Parent Impact Story

The YMCA summer camp has been the best thing that ever happened for my little guy. I feel confident every day I drop him off that he will be well taken care of and have tons of fun!

I've loved all his friends and teachers.

Summer Camp has been a blessing as I'm a single mom and needed structure for my little guy in a loving Christian environment.

We love YMCA!
