Come spend your Virtual Learning days with the YMCA. Each day from 8-3, our teachers and counselors will work to help complete the necessary homework & help students get on Google Meets.

All students need to bring their necessary school work headphones & Chromebooks, the Y will not have access to computers.

Once each student completes their work/meetings and from 3-6pm we will have activities and physical fitness planned for the day. Lunch & Afternoon snack will be provided.

Sign-up online at wcfymca.org or stop by the YMCA to fill out your registration form.

Reach out to Hailey Jackson at Hailey@wcfymca.org with questions.
